Preparation for **Pirate Math:**

**Timed Division Math Fact Fluency Program**

# Pirate Math

Created By Fluttering Through First Grade

**Pirate Math!**

**\*Quick Program Overview\***

- Students take timed division tests
- Each time they complete a test successfully, they earn a "coin" for their Coin Board (use Avery dots or our pre-made balloons)
- After successfully completing 5 tests, they earn a reward (ex: gold coins or Pirate's Booty).
- If they do not successfully complete a test, they remain on that test until it is mastered
- Pre-made Flash cards can be sent home with student for practice
- Students work at own pace, trying to better their own score

**Test #10**    \_\_\_ / 15

**\*Pirate Tests\***

There are 2 tests per page (A and B). Copy each page and cut down the middle. They are basically both the same, just the order is different. We like to give the student the opposite test if they need to retake it. Once a student successfully passes a test, they move on to the next one.

**Order of Tests:**

÷1 ÷2 ÷3 ÷4 **÷5** ÷6

÷7 ÷8 ÷9 **÷10** ÷11 ÷12

Mini-Mixed:    ÷1,2    ÷3,4

**5,6 ÷7,8 ÷9,10 ÷11,12**

Mixed Tests:

1    2    3    4    **5**    6

7    8    9    **10**    11    12

○ = indicates reward/incentive test
