

# March WRITING PROMPTS

**Parent Communication:**

**How do we do it?**

**Our Sharing Story**

Identify a "sharing day" that is the rest of the year. We will have Friday's and introduce us do a homework packet at home, bring a book on in front of the class, or sharing page program, or writing components throughout the year.

We have been using these pages in our class as a weekly homework writing assignment. These pages can also serve as a writing journal for your child. We have been using these pages in our class as a weekly homework writing assignment. These pages can also serve as a writing journal for your child.

**SHARING PAGE PRACTICE**

I have brought my Sharing Page back home because.

- I had a difficult time reading it in class
- I need to color or add details to my picture
- I need to work on my writing

Please help me practice reading it at home in a clear, loud voice. My reading should sound like I am talking. I need to remember to bring it back to school tomorrow so that I can read it in front of my friends. Thanks for helping me become a great public speaker!
